Dawn Powerz is the reincarnation of classical and fundamental Hip-Hop. No hooplah this time, just sheer skill and energy. This is something new. Everything that is out now is about to be questioned. Dawn Powerz is somewhat of a ghost coming back to re 13 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, SPOKEN WORD: Instructional Details: For a long time now there has been a glitch in the Hip-Hop world. Everyone following everyone and going nowhere. Well maybe to the club, the mall, and the jewelry store. Is that all they see? The world and life itself is far more than that to Dawn Powerz. Born and raised in the central core and heart of Hip-Hop music he has been through the pain and the struggle of every claim he makes as an artist. He has been performing for thirteen years to perfect his art. He has finally put together his own thing without the help of any major label entities. Bronx Music Volume 1 is the beginning of a new era in Hip-Hop as well as a continuation of the truth that has been covered up by the Glamour and Glitz of mere Drug Lords turned "Musician" that give the urban youth all of the wrong answers to their problems and making the youth think that a gun is a vanity and that they should all be disrespectful to woman and to themselves as young blackmen. Dawn Powerz is just now rising but once he starts to buzz everyone will hear his vibrations.
