Contemporary Gospel, POP: Folky Pop Details: Dwayne Jones has been traveling and sharing his gift of music for over a decade now and "Humble Me" is the culmination of his ministry and of God's Blessings. His only goal is to share God and all that He has done, in this one simple life, with anyone who will listen. The songs are old favorites, Ray Boltz "The Anchor Holds" and new songs that ring true in Dwayne's life, "In You", a cover of Mercy Me. Along with original songs that share his life, loves and the impact of God on his life, family and ministry..."Heaven Bound", "The Flame" and "Just a Song". Dwayne has been an active participant in Praise and worship and has led worship as well as Pastoring, but it seems God has always led him back to writing and singing the songs that he loves. His roads have been varied but as Dwayne puts it, "'Humble Me" comes from the thought and reminder that as we all know, but so often forget...It's not about ME, and when God has to; He will humble me, to remind me that I am not in charge. Even though He will indulge even our most whimsical dreams sometimes; our purpose, drive, life and loves are all...His gift to us."
