experimental electronic between chill out-lounge, and electro pop. 16 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Experimental Details: Biography: Beno Sorak was born on 26.10.1977 in Maribor, Slovenija. Already as a small boy he knew that he wanted to make music, so he wished himself a guitar when he was 6 years old. Unfortunately he got just a plastic one, and did not make music until he was 16 when he started to play guitar in a highschool band. After that he started to learn quick and soon played different styles particularly interested in blues and funk. In the year 2000 he started his Jazz guitar studies at the Klagenfurt (Austria) Jazz music school. In the year 2002 he formed the project Electric Boogie, where live musicians and instrumentalists could improvisationally participate with electronic music. The result of this project is the first solo record album called UNIVERSE IN MULTIVERSE. On the album you can find 66 min of music between experimental electronica, lounge and electro pop. Experience: Playing for 10 years as guitarist in various bands from, Heavy Metal, Rock, Blues, Funk, Jazz, fusion, Reggae. Performing live acts for 4 years with laptop and external musical equipment (vocoders, synths. . .) Press Release: Release of Album - 3/22/2006 On 03.03.2006 the debut album UNIVERSE IN MULTIVERSE was released. Album can be bought over EBAY, and directly on the web site electricboogie.info.
