Christian Rock: this is a concept album. We've heard comments from folks we know and trust that they can hear the influences of "The Doors", "Pink Floyd", etc.. You really need to listen and judge for yourself.

17 MP3 Songs  
BLUES: Rockin' Blues, ROCK: Hard Rock  
Details: Epic Tales In Time was originally formed in 1998, as a three piece rock combo. The concept for the group is to musically and visually illustrate scripture and well known Biblical stories. Influenced by their rock roots, the band continues to evolve in style and membership, currently utilizing four vocalists that includes three multi-talented musicians. Epic Tales In Time is based on the west coast in Bellingham, Washington. "The Passion" is a musical journey through the passion week and a bit beyond. Illustrated initially by narration and performed with original site visual images, the band stylistically covers rock, ballad, and alternative music.
