

Mp3 High Range - Screamin' Down The Valley

[DOWNLOAD HERE](#)

Good ol' rural roots music with shades of Bluegrass, Folk, and Jazz, inflected with tight harmonies and sweet strumming. 13 MP3 Songs COUNTRY: Bluegrass, COUNTRY: Country Folk Details: High Ranges Screamin Down The Valley weaves bluegrass, folk and jazz into an amalgam of original compositions that will leave you hootin for more. Theyre a band of regular folk who can delve into their emotions to write some great songs and deliver them with soul. You might even think theyre a family band when you hear their comfortable New England harmonies and ability to read each other like a book.
