So glad you could stop in and check on my music. Originally from County Wexford, Ireland, now living in Daytona North, Florida. I play Guitar, Banjo Harmonica and sing Acoustic Folk Songs, Ballads and partial to the Blues. On this CD you will hear a variety of songs, including Folk, Blues and Celtic. I'm still trying to find a particular genre and be comfortable, but because i like all kinds of music this is very difficult for me, so I will just keep doing my thing. "Stay A While" was my first "All Original" CD and I'm working on 2 more. One with all original material "Folk Rock Blues" and the other with some of the old Celtic Classics.
