Touching on the somber, but always rising to great heights of optimism, 'No Excuse' features solo acoustic guitar compositions that will make you think, and make you smile. 8 MP3 Songs FOLK: Fingerstyle, ROCK: Acoustic Show all album songs: No Excuse Songs Details: Jamie Robertsons music is truly hard to categorize. Elements of folk, hard rock, fingerstyle and orchestral scores come together through the versatility of guitar both acoustic and electric to create music that some say is like a soundtrack to their lives. His father gave him his first acoustic guitar at the age of 12 and taught him how to Travis pick, a hallmark of great guitar players like Chet Atkins and Muddy Waters. Jamie found his early inspiration from versatile players like Steve Howe and Jimmy Page, who combined traditional acoustic folk styles with soaring, hard rock electric guitar. Musical influences were Yes, Led Zeppelin, Santana, early Heart and Jethro Tull, and one can easily hear references to these bands in his compositions. Jamie is an established electronics designer with a degree in Physics who over the course of his career has been involved in numerous milestone music and audio products used in the professional music and recording business. This has provided him with the knowledge and skills to engineer his own music productions, resulting in two recent releases: Elevation, a CD of instrumental rock guitar, and No Excuse, a CD of solo fingerstyle guitar.
