Mp3 Javelyn - Lady J: Music For The Soul

DOWNLOAD HERE

Very melodic, fun, smooth and haunting... 10 MP3 Songs POP: Today's Top 40, POP: Power Pop Details: Javelyn is a pop artist with a very melodic style whose songs leave you humming them in your head. Her style ranges from Avril Lavigne to Alanis Morrissette to Evanescence (female vox). If you like pop, then be sure and take a listen to Javelyn. As Desiree Douglas, a DJ from KWXX in Hilo, Hawaii says: "Not the same ol', same ol', but something fresh and new. You're sure to fall in love with at least several tracks on this well-rounded release. A real album, not just a 1-hit wonder. Check it out for yourself. This album is playing in selected cities throughout the United States and the world.
