

Mp3 Jeff Findl And The Acoustic Accomplices - Beach Buzz Instrumentals

[DOWNLOAD HERE](#)

A magical blend of melodic acoustic guitar with beautifully supported orchestration. It's emotionally uplifting music with a cool groove and the occasional surprise left turn. Double album with eight pro musicians performing. 21 MP3 Songs NEW AGE: Contemporary Instrumental, JAZZ: Smooth Jazz Details: New 21-song double album. "Jeff Findl and the Acoustic Accomplices" are an 8-person studio-created band brought together by Los Angeles record producer Ronan Chris Murphy to record the guitar-based compositions written by Jeff Findl. All the talented musicians invited to play at the recording sessions were handpicked by Ronan Chris Murphy. These musicians each added their particular specialty to the mix. The elegant keyboards were performed by Giovanna Joyce Imbesi who has toured with the likes of Yani and Andy Summers (The Police guitarist). Bassist Ian Sheridan recently returned from a lengthy world tour with Jason Mraz. Victor Bisetti was a long time drummer/percussionist for the popular band Los Lobos. In his touring days, pedal steel guitarist Dave Pearlman played with Dan Fogelberg's band. And guitarist Jeff Findl was the Instrumental Artist of the Year at the Los Angeles Music Awards. In an earlier effort, Jeff Findl's 2004 album titled "Somebody Got Happy Fingers" was played on numerous non-commercial radio stations and rose to #5 on the New Age Reporter airwaves chart. The songs from the past album have since been recomposed, re-recorded and included on Beach Buzz Instrumentals. This wholly-owned music is available for licensing for use in film, TV, commercials or other applications (ASCAP).
