

## Mp3 John Stuart - Canyon Country

[DOWNLOAD HERE](#)

That down home country sound, no frills just good old country pickin and singin. 10 MP3 Songs

COUNTRY: Traditional Country, COUNTRY: Modern Country Details: John Stuart, "A Home Grown Country Gentlemen" with a smooth deliveray, and a style all his own, John Stuart's CANYON COUNTRY cd, is sweeping the world. his songs tell it like it is, his sweet voice and mellow tone makes the listener want to listen again and again. John Stuart , has other cd's and this is not his first to hit the world with a bang. His latest cd CANYON COUNTRY has been featured on garagebandand american idol. This cd was released in Nov 2005 and is doing well on the his own website, and is featured at all the main stores to include all of the internet. His website is: desert-star-recordsand you can hear the real soft spoken and warm feeling in his music. John Stuart is the Executive Producer of Desert Star Records, and he plays all the instruments on his albums, recorded in his own studio here in Ridgecrest California. A song writer since he was very young, he had his first 45 rpm hit record, "Train Take Me Back To Nashville" recorded at the RCA recording studio in Los Angeles on the gold label RCA in 1970. John Stuart has come along way since then he is 58 years young and putting out the hits. Soon his new "HIP HOP COUNTRY" cd will be hitting the airwaves and markets in Jul 2006, and all the stores. Take a listen and you will see why his music is Down Home Country With A Little Flavor Of Rock and Roll.
