Details: ...No time for regretting, no time for fear; every moment in your life has led you here.. The powerful lyrics from the title track of Long Time Comin' best describe Julia's inspirational journey to fulfill her musical dreams. Last fall, Julia was diagnosed with thyroid cancer. Facing the surgery and the potential risks to her voice made Julia's life path even clearer. "I knew in my heart that music was my deepest longing; I had to sing in order to take care of my soul." Julia's songs introspectively chronicle the challenges and joys she has experienced; showcasing her vital spirit in the face of adversity. Her songs are a journey of courage; she sings to heal us all. Eleven well written and beautifully performed original compositions. With smoothe guitar and exquisite vocals, Julia plays from the heart giving this CD a huge aura.
