Employing innovative song structures with thought-provoking lyrics, Kid Mercury's raw, vocal-driven debut album is sure to keep your CD player on repeat for quite some time. 9 MP3 Songs ROCK: Acoustic, POP: Quirky Details: Consistent with Kid Mercury's spiritual quest for authenticity, ACOUSTIC REVENGE, his debut album, is a record that aims above all else to be real: it boasts 9 songs, all stripped down to just a single vocal track and a single guitar track, thus allowing the lyrics and melody to shine through unabashed. Recorded rapidly and with both no-frills production yet methodical engineering, the album is both raw enough to hurt you and sweet enough to comfort you. Listen from a distance, and you'll hear the beauty; listen closely, and you'll feel the pain. In either event, the one thing you'll definitely want to do is listen.
