Trippy electro-acoustic soundscapes - music as drug! 10 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: 'From the cascading metrical rigor of 'Archangel' to the wide screen Technicolor spectacle of 'Dissonance is Gliss' to the subtle breath of 'IRT #6' to the deconstructed postmodern Gutbucket Blues of 'Sugar Tip' this CD covers a lot of ground. Full of sumptuous textures and vertiginous stylistic leaps, its breadth and richness is all the more surprising in that it was all produced live on stage by a duo.' - Elspeth Thomas, Madison Apoplectic
