Shoegaze pop. Japanese cult favorite. 6 MP3 Songs in this album (17:23) ! Related styles: POP: Ambient Pop, POP: Dream Pop People who are interested in Japanese Favorite should consider this download. Details: "Love Saves The Day in this new release. Maryasque's voice soars high above the ethereal dance beats. A quirky, funny spoken word rant - Crazy Supermarket Boxboy- recalls the dry humor of Julie Cruise. A very fresh approach indeed. I highly recommend this one. It will make you dance, motivate you to clean house...possibly both at the same time" -MGZ
