Part power pop, part indie, part mod, part rock. compared (by others) to sloan, gbv, cheap trick, nirvana, xtc, beatles. take their word for it, or listen to some tracks. 14 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: "Welcome to the end of my rope" is a cohesive collection of twisted pop gems. And the perfect follow up to Missile's well received debut, "up. once around. down." Crashing power pop that belongs with the genre's timeless best. - Alternative Press ...the great Chicago band Missile. Think classic XTC or Nick Lowe combined with Guided by Voices. - Nuvo Magazine It isn't true "pop," what Missile does, but something better: an amalgam of bands like Television, The Beatles, Soul Asylum, The Charlatans U.K., and glam rock. - localmusic.com Do you like pop rock with catchy guitar riffs? Are you a fan of smartly crafted songs with melodic choruses? If so, you need to get this band in your collection. - Monster Magazine Many of the songs ignite with a slow burn, then explode in all out angst that threatens to careen out of control. Catharsis is the operative word here, clever melodies that are anything but predictable. - Whatz Up Magazine Whip-smart pop from Chicago that adds a saccharin twist to that city's signature rock sound. The songs on the disc can range from sublime and sweet to missives that drip with scorn and sarcasm. - HomeGrownBuzz
