Details: "Columbus cats won't find an album opener with more sass than "Waiting," the title track of Mojoflo's new EP. You can marvel at the complex emotional palette they paint with or you can drop the intellectual dissection and dance. " -Chris DeVille, Columbus Alive "Mojoflo is, in a word, sexy... The band has found a good balance between variety and continuity. With everything they played, they sounded like themselves, but it was always hip, never monotonous." -Jamie DePould, Capital Chimes Mojoflo's debut EP Waiting delivers a musical experience that leaves you craving more. The 10 piece outfit weaves layers of vocals, percussion, synths, and horns to create genre-blending sonic textures guaranteed to please the ear and shake your booty! From R&B balladry, to hip-hop jams, to instrumental funk and everything in between this disc has something for everyone.
