Contemporary jazz with blues, rock, funk flavors added for a wonderful mix. 12 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Patrick is a studio musician/guitarist in L.A. and San Diego. Formerly on BrainChild Records (Russ Freeman, Kilauea, Richard Smith, Greg Vail). In 2000 his release "Of Two Cities" recieved high praise in JAZZIZ magazine, Smooth Jazz News, Jazztraxx, KPBS, and many more print internet media. Both of his last 3 CD's has recieved international airplay. His last 2 releases have contained tracks featured on the "best of" compilations from the JazzFM network out of the United Kingdom. Jonathan Widran of JAZZIZ has featured Patrick in many of his articles. His guitar playing can be compared to Larry Carlton but with the rock edge of Steve Lukather. Electric, Acoustic, Nylon, they all seem to fit naturally into Patrick's music. Being originally from Michigan contributes to his funk-rock roots. This is a guitarist of the new millenium!
