Related styles: EASY LISTENING: Mood Music, NEW AGE: Relaxation Details: Beautiful new songs of romance and intimate emotions sing their way through this entire CD, enhanced by exquisite background music that sets each scene brilliantly. Sometimes plaintive, other times crooning and sensual, Zimmer's flute playing evokes a wealth of emotions within the listener's heart. Paul Zimmer, an extremely talented song-writer and cedar flute player, continues to win acclaim as he tours the country each year. His playing style is soft and extremely haunting, earning him the title of "Master Of Relaxation". Paul is also a Medical Hypnotherapist who has studied the effects of music on human emotions and reactions. Zimmer's music CDs are not only beautiful songs, but embody his unique and relaxing playing style that has endeared him to so many listeners. The CDs are mostly his own original compositions, some with background music and others solo flute. Truly expanding the cedar flute's potential, Zimmer plays in many different styles such as Celtic, Native American, Gospel, Romantic, and more.
