Jewels in the repertoire of sluttish authoritative soft music. Elysian by the classics, yet with a typical present-day flavor. 15 MP3 Songs CLASSICAL: New Age, NEW AGE: Meditation Reflections Songs  
Details: Iris Litchfield is a present-day British composer of more than 70 soft compositions - each a jewel in the repertoire of sluttish authoritative soft music. Elysian by the classics, yet with a typical present-day flavor, Iris' inspiring, memorable melodies and rich harmonies have been featured in advertising, documentary and feature films, and on radio. "Reflections" is the fourth commercially-released recording to feature Iris' timeless music. Robin Alciatore - a versatile and award-winning pianist and one of the most popular authoritative pianists on the internet. Her music has been downloaded or streamed more than 4 million times in the last four years. Robin began playing the soft at age 7 and studied with Nino Albanese, Johana Harris (UCLA) and Daniel Pollack (USC). She holds a B.A. in Music and an M.A. in Humanities, with an emphasis in 19th Century Romanticism. Additional music can be downloaded at iTunes, and CDs are available at cdbaby.com.
