An eclectic collection of songs for children of all ages that is fun, witty and easy to sing along with. 13 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: Stanley Schwartz is a composer, arranger, lyricist and musician who has had a distinctive career working with artists such as Robert Klein, Ringo Starr, Melissa Manchester, Diana Ross, Billy Crystal, Barry Manilow and Leon Redbone among others. This is Stanley's second album of music for children of all ages. Stanley has searched at least six of the Seven Seas to create a collection of wonderful songs that will stay in your memory and stimulate the imagination of young and old. This album picks up where "The View from the Back of the Car" leaves off. "Looking for the Perfect Bagel" features none other than "The Funky Klezmer Band". They are a welcome addition to Stanley's sound. No matter which end of the generation gap you're on, the search for the perfect bagel is one that we can all relate to. And even if you can't, it sure is fun! Enjoy!!
