Terry Nancy's Christmas Musical for the whole family. 10 MP3 Songs in this album (35:05) ! Related styles: KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: Children's Storytelling Details: THIS CHRISTMAS portrays the vivid storyline of God's gift to the world, beginning with the celebration and festivity set in contemporary time, then looking deeper into the real meaning of Christmas as seen through the eyes of one of the shepherds. He is astonished at the sound of angels singing, announcing the birth of the King, and is drawn to the place where he looks directly into the eyes of the Star of Bethlehem. We hear this simple working man respond and describe the profound changes wrought in him at that moment. Jesus is always more than we expect.
