A tribute album featuring artists from Sacramento, CA covering Elliott Smith songs. 15 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Show all album songs: Coming Up Roses -- Sacramento Remembers Elliott Smith Songs Details: This compilation was a labor of love by Sacramento area artists passionate about the life and work of Elliott Smith. A favorite composer, performer and songwriter of musicians everywhere, Elliott tragically committed suicide a couple of years ago, a loss which touched the hearts of everyone involved in the production of this compilation. We all took it upon ourselves to record a favorite tune, and Josh Chesney (of Sunflower Revival) and Damian Sol put the final finishing touches on the song order, album art, negotiations with the record label, etc. The album art was produced by the lovely and talented Irina Beffa, based in Portland, OR, and mastered by the very talented Eric Broyhill at Monster Lab Audio in Sacramento, CA. Eric's other production credits include Cake and The Deftones, to make just a couple of many, many fine releases he has been a part of. All proceeds from the sale of this compilation will benefit Outside In, a Portland, Oregon-based shelter serving homeless youth and low-income adults. For the past 37 years, Outside In has remained committed to creating and providing essential services needed by the homeless, low-income, and uninsured members of their community. We sincerely hope that fans of Elliott Smith will be pleased with the renditions of his beautiful songs on this compilation. All the artists involved took great care to learn and lovingly re-create the tracks at their own expense. If you like what you hear, please purchase these tracks anywhere they are available, and be sure to check out the many wonderful artists who made this project possible. -- Damian Sol Sacramento, CA December 15, 2007
