Songs that mean something performed without fuss. Great vocals that let the song tell the story 14 MP3 Songs FOLK: Modern Folk, BLUES: Acoustic Blues Details: A collection of 14 superb original songs that tell stories of our times. From the closure of the Mines in the UK to the war in Iraq and few hearts broken in between. Dave Wilson has soaked up influences from the like of Richard Thompson, Bonnie Raitt, Steve Earl, Townes Van Zandt and so on. Not that this shows in the songs, hes added his own stamp on each one and coupled with the great folk/blues voice of Kip Winter These are the things is a class album. both Dave and Kip being the proud possessors of brilliantly expressive voices which Daves skilled (mostly acoustic) guitar work compellingly enhances. You really dont need anything else to bring these excellent songs alive. Net Rhythms magazine
