

One Of Life's Slaves - Jonas Lie

One of Life's Slaves was penned in 1872 by the Norwegian author Jonas Lie. This edition was translated from Norwegian to English by Jessie Muir in 1895. In taking Christiania life for the subject of "Livsslaven," Jonas Lie attempted for the second time to break down the preconceived opinion of critics, that such a subject did not come within his province. They were accustomed to have tales of sea-life from his pen, and could not readily be persuaded that another sphere of life might afford equal scope for his talent. Lie himself, in speaking of this work, says that a writer should "aim at presenting his subject in such a way that the reader may see, hear, feel, and comprehend it with the utmost possible intensity." This precept he has certainly put into practice in the present instance, for the subject is treated with such power and so full a grasp, that in reading the book one feels an actual anxiety, an oppression as of approaching disaster.
