In a time when one nation under God has become controversial, a new book Patriot Papers Made for American Patriots is a tribute to the Pledge of Allegiance in its entirety. Readers will marvel at the prophetic warnings regarding what would befall our nation should we be diverted from the principles upon which the Constitution was framed. The founding fathers will reignite love of liberty and reaffirm the readers determination to keep America free. ----- Visit our store for more great software & ebooks! dlc3marketing.tradebit -----
