Writer's block is nothing compared to the tale London-based novelist Matt Wells is now caught in. A chain of seemingly innocent e-mails from a devoted fan turns sinister when Matt discovers his correspondent is a cold-blooded killer with an agenda for murder. This is the real thing, and soon Matt is plunged into a plot more twisted than any he could dream up for his novels. With each killing the man known as the White Devil tightens his grip by incriminating Matt at the murder scene. Cast not only as the victim but also the ghostwriter of the grisly story, Matt must risk everything to protect those he loves. But with the police closing in and Matt's friends being picked off, the White Devil is out there...plotting Matt's ultimate ending.
