Also, Read On To Discover... A PRICELESS Bonus That Can Enable YOU To Profit From These Products Almost Immediately! Dear Professional Marketer, Did you know? Most of the TOP successful Internet Marketers that you and I know and heard of have one thing in common: they have their own products! And you should have your own, too, especially if you are really serious about becoming a TOP Internet Entrepreneur in your own rights. Think about it. By having your own products, you can: Sell and pocket 100 of the sales into your merchant account instantly - unlike affiliate programs, there is no need to wait up to 30 days to receive your commissions, and only a fraction on top of that. Own flexible rights over your own products - you can choose to sell your products for personal use only or even offer (Master) Resell Rights or Private Label

Rights at 5 to 20 times the selling price! Decide how your product can be sold - you can offer it as a back end offer, a bonus to another product you are selling, add into your paid membership site, and so on. You can also chop your Info Products into smaller portions like articles for exposure and marketing campaigns. Even publish your work offline! And much more... these are just some ideas but the bottom-line is that by having your own product, it offers you little to no boundaries in exercising your flexibility to sell your own product, brand yourself... your imagination is the limit! "But Creating Your Own Product Isn't Necessarily Easy." There is a huge problem, and it's none other than product development. You see, I've been creating a lot of Information Products to sell and while it is a wildly lucrative business for just about any one-man entrepreneur, it often comes with a price: time and effort consumption. And if you have created your own products before then surely you can relate to the tedious process - doing niche research, creating the product, proof reading, designing the Cover... the list goes on. Now maybe you hate writing. Or maybe you don't have the time for it. Perhaps you've considered engaging ghostwriters but can you afford it? So, the BEST solution? May I suggest that you drop all of your product development chores and... " Full Private Label Rights To IM Speed Series #1: Internet Marketing Basics for Newbies Page Count: 20 Word Count: 5,060 words Description: Marketing has always been an exciting profession. There is the challenge of coming up with new and creative ways to catch the attention of the public, hold that attention long enough to build up enthusiasm for a product line, and then motivate consumers to take that final step and purchase the good or service. Over the last decade, the concept of Internet marketing has taken on a new prominence in the scheme of promoting goods and services. Originally seen as more or less an adjunct to traditional marketing

methods, Internet marketing is now perceived as a legitimate and powerful form of marketing all its own. In many ways, Internet marketing has taken the old rules and rewritten them for a new age. The first guide of the five in the Speed Series, Internet Marketing Basics for Newbies is a "must read" Special Report for anyone new to the field of E-Commerce. Today wealth is no longer reserved for an elite few and the power of the media is now de-centralized and distributed evenly to the ordinary individual to decide how rich and wealthy they can be! You Receive The No Restriction Private Label Rights To This Book In PDF Format, Raw Word (DOC) File And Editable Photoshop Source Document To The E-Cover! Full Private Label Rights To IM Speed Series #2: Setting Up Your First Business Website Page Count: 20 Word Count: 5,002 words Description: "How do I build a website?" is one of the most common recurring questions you shouldn't be surprised to hear from the Internet newbie crowd. Programmers and teenagers who grow up on computers might laugh or scoff at this but truth of the matter is that this is a highly under-met demand. And technical 'geek' books fail to deliver in layman terms. As a smart Internet Entrepreneur, this is your chance to tap into the Internet newbie market with this Special Report that holds the answers to Setting Up Your First Business Website - this speedy guide covers and answers questions Internet newbies often have where building their first website is concerned. You Receive The No Restriction Private Label Rights To This Book In PDF Format, Raw Word (DOC) File And Editable Photoshop Source Document To The E-Cover! Full Private Label Rights To IM Speed Series #3: How to Use Words To Sell Page Count: 21 Word Count: 5,039 words Description: One of the most powerful tools in your sales arsenal is the informed and judicious use of words and terminology. Words have the ability to entice a prospect, hold the attention of the potential buyer, and ultimately result in the establishment of a relationship that not only results in a sale today, but helps to create other sales activity in the future. At the same time, words have the power to turn away potential clients, make people feel unappreciated, and ultimately lead to not only the loss of a sale today, but also the loss of sales opportunities in the future. As the choice of words can make a person rich and wealthy or poor with negotiations and closing deals, it is so crucial that I have nominated to include How to Use Words to Sell in the Internet Marketing Speed Series. You Receive The No Restriction Private Label Rights To This Book In PDF Format, Raw Word (DOC) File And Editable Photoshop Source Document To The E-Cover! Full Private Label Rights To IM Speed Series #4: Develop Your Own Hot Selling Product Page Count: 20 Word Count: 5,152 words Description: While anyone can create a digital product, not everyone can create a hot seller. We're talking

about developing products and engineering success to be reinvented, recreated and improved on every product launch. There is more to just writing the next 100 pages of content on your Word Program. You have involve other factors that influence the success of your product that will make a parting difference between selling like gang busters day-in, day-out and suffering from 0 sales. How to Develop Your Own Hot Selling Product reveals a sequential method to turning intellectual property into 'virtually tangible' products that you can sell in the form of digital content. You Receive The No Restriction Private Label Rights To This Book In PDF Format, Raw Word (DOC) File And Editable Photoshop Source Document To The E-Cover! Full Private Label Rights To IM Speed Series #5: Online Traffic Generation Methods Page Count: 21 Word Count: 5,061 words Description: Setting up your online business presence is a major accomplishment. However, it is only the beginning. Contrary to popular opinion, people will not come just because you built it. Part of the reason for that set of circumstances is that no one is likely to visit a web site that they do not know exists. So, after you have put together the most spectacular, intuitive, and fun to browse web site, the time has come to get busy and find ways to generate the traffic to your little corner of the Internet. The good news is that there are many options when it comes to the task of driving traffic to your site. While many of the strategies involve online methods, there are also some offline effective procedures that will also lead to more hits and thus increase the chances of making a sale... and these are all covered in Online Traffic Generation Methods.
