

A Dialogue Concerning Witches And Witchcrafts - George Gifford,

[DOWNLOAD HERE](#)

George Gifford was a 16th Century preacher and scholar, he wrote on many topics but is most well known for his work on witchcraft. This fascinating discourse is unusual for its moderate stance on witchcraft and the plea for restraint in making accusations and in the trials of suspected witches. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
