Sharing Adam' by Madelynne Ellis Whoever thought infidelity could be this hot? Becca Caine had no idea until she caught her husband enjoying an erotic clinch with another man. When Becca Caine happens upon her husband, Elliot, enjoying an erotic clinch with a darkly attractive man named Adam, she's both hurt by his infidelity and left uncomfortably aroused. However, the more she learns about her husband's homoerotic past encounters, the more desirous she becomes to see the two men make love. Despite the risk to their marriage, Becca persuades Elliot to arrange such a tryst with Adam. Seeing them make out may well be the hottest thing she's ever seen, but what happens when Adam discovers her and invites her to join in? Can Becca truly share her husband with another man? Is Elliot prepared to share his wife? Are either of them really prepared to share Adam? 'Private Investigation' by Fleur T Reid In a Victorian world of clockwork and conspiracy, private investigation gets personal... In another London, not entirely like our own, Miss Elizabeth James is one of the new Victorian working women. She answers an advertisement placed by inventor John Dermott for someone to bring order to the life of his companion, flamboyant private detective Lucien Doyle. She can sort out the shocking state of his paperwork, but the weird contraptions and unexpected explosions weren't on the curriculum at the Metropolitan School for Shorthand. And while she can type, file and take dictation, she didn't expect to have to take a string of apparently motiveless murders in her stride. She's an expert at finding lost files, but how does one deal with the lost souls of the bewildered dead? Lilly's life becomes even more confusing when she discovers that Lucien and John plan to do a bit of very private investigating-of her person. Reader Advisory: This book contains a scene of voyeurism, where peeping through keyholes gets our budding detective more than she expects. 'The Perfect Third' by Morticia Knight Alexa is young, sexy and single in New York. She's also alone. When she meets two hunky musicians, will they make her their perfect third? Alexa is young, sexy and single in New York. She's also alone. But she doesn't want to date any more of the stuffy men she meets through her job at the law firm - she needs some excitement. When she meets hunky Lorne, a film score composer, at a premiere after-party, she can't believe her luck when he asks her out. After an incredibly hot night of sex, when it seems that this is just the relationship she's been waiting for,

things inexplicably cool down. Does his best friend and roommate, the dangerously handsome Antony, have anything to do with it? One night the truth of Lorne and Antony's relationship is revealed to Alexa, and she has a difficult choice to make. Is she willing to just let go and become their perfect third? Reader Advisory: This book contains anal penetration, sex toys and BDSM. 'Country Hearts' by Nan Comargue After a failed relationship in the city, Isabel returns home to the Armstrong ranch and the two sexy Armstrong brothers she's always loved. Can she choose between them-or does she even have to? Isabel Morgan's experiment with city life is done. Her live-in boyfriend has just left her for a younger, more virginal model, and she finds herself in need of rescuing from the least likely of sources-the two rough cowboys she grew up with. After her mother married their father, the Armstrong brothers, stern Cary and sympathetic Dex, have taken a none-too-welcome interest in her life. Her ex-boyfriend made Isabel feel oversexed just because she wanted to fuck all the time, in fact it's one of the reasons they grew apart, but the Armstrongs soon show how much they value her reappearance in their 'The Triumvirate's Consort' by Shannon Peters Can three warriors convince an uninterested and unwilling betrothed to accept their bond and help lead an alien raAuthor: Ellis, Madelynne Author: Reid, Fleur T.
