

# Low Ticket Profits

[DOWNLOAD HERE](#)

Low Ticket Profits Every business needs something that brings in a constant flow of financial traffic. For most businesses this is a relatively inexpensive item that has a high demand. Let us look at the auto industry for an example. A Lamborghini, for instance, would not serve in this manner. A Lamborghini is a big ticket item, which while bringing in a far sum of profit, does not carry with it a great demand. A Camry, on the other hand, has great demand and is a much smaller ticket item in regards to a Lamborghini. A Camry will bring in the foot traffic, which can lead to other sales and eventually a higher profit margin.
