

Mp3 Allan Crossley - Joe Rock And Friends Volume 1

[DOWNLOAD HERE](#)

Quirky, fun, singable songs in a variety of musical styles from pop to world music that invite sing-along and actions. Each of the songs appears on the album in three versions: English, Spanish, and French. 24 MP3 Songs in this album (47:08) ! Related styles: KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: These songs are a compilation from the award winning "Joe Rock and Friends" interactive books from BoggleNoggin Media. The songs are fun, original, and quirky. Children love to sing along. As classroom teachers we use these songs in our classroom and schools every week and can confidently recommend them! Many of the songs invite actions that children spontaneously make up on the spot. All of the songs have been recorded in English, Spanish, and French versions. The software, available on the company website contains sing-along karaoke versions of each song in each language. The composer, Allan Crossley is an educator, author, and composer with hundreds of songs and many musicals to his credit, including Carnival of Life, a collection of songs about the environment.
