Dark Blakey-esque jazz 12 MP3 Songs JAZZ: Bebop, JAZZ: Free Jazz Details: This is my debut Album and features the legendary Jimmy Cobb from Miles Davis' Kind of blue record. These are the players on it: Barney Mcall-Piano Tim Ries- Tenor Sax Andy Mckee- Bass Jim Seely -Trumpet Scott Newman -Drums Lloyd Swanton- Bass Andrew Gander- Drums Dale Barlow- Tenor Sax Tim Hopkins -Tenor Sax Vincent Herring- Alto Sax David Rex- Alto Sax Jimmy Cobb- Drums Scott Tinkler-Trumpet David Rex - Alto Sax Jimmy Cobb- Drums Phillip Rex- Bass John Barrett- Bass clarinet, Flute, Tenor Sax Russell Smith - Trombone Scott Tinkler- Trumpet Jonathan Zwartz- Bass James Greening- Trombone John Barrett- Bass Clarinet "In both his writing and his playing style, Australian pianist McAll has captured a melancholy romanticism that damn few jazz players have been able to convey. McAll's music evokes a pensive,late-night mood (minus the usual jazz cliches) that non-jazzers may find as appealing as the hardcore group will his skillfulness. Its exceptional stuff that reminds this listener how often half-baked writing and underdeveloped playing styles make it onto discs. If there were more albums like this, everyone would like jazz" - Dave McElfresh, CD Review, JAZZ NOW MAGAZINE (USA), 1995
