Funky Groove with a taste of World Music. 6 MP3 Songs URBAN/R&B: Rhythm Blues, BLUES: Funky Blues Details: Bojembe is a group of four experienced musicians that have performed all over the Eastern seaboard performing a myriad of styles. You're gonna love everything From the rich vocals of Thomasina Winslow and Sean Mack (who is also our thump master on the bass),the tasty and satisfying guitar riffs from Terry Plunkett, to the "Keeper of the Rhythm" drummer John Zumbo, each musician brings their own spark to this album. The album Bojembe is loaded with rich and sophisticated sounds while still remaining true to the raw primal funky groove. You will also hear World Music influences and we guarantee that you won't want to stop playing these grooves that will give your ears a whole new but familiar flavor. Enjoy! We certainly did.
