Down home r&b with a touch of gospel and a hint of jazz 12 MP3 Songs URBAN/R&B: Rhythm Blues, BLUES: Rhythm Blues Details: My name is Bryant Swearngen aka Big Daddy I am a child prodigy that started playing and singing at age 7. I became a church musician at age 10. My interest in R&B came early after hearing artists like the Isley Brothers, Peabo Bryson, Donny Hathaway and Luther Vandross. Although I had interest I wasn't allowed to express it because of my family's deep religious background (Mama said play church music) now that's not a bad thing, it kept me grounded and out of clubs too soon. This also gave me the background of my style. Now with that said BIG DADDY is grown, and I have created some music that came straight from my heart. These songs are about things I've been through or witnessed in my life time. Every track was written/arranged by me. I enlisted some great musicians from my home town MEMPHIS, TN. and recorded at the famous Willie Mitchell's studio. So if you like R&B, with a touch of Gospel and a hint of jazz, you will love this album. Come and let BIG DADDY introduce you to his GROWN FOLKS MUSIC.
