Church songs that sound like regular music. 15 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: Dave Morrow is a singer/songwriter who is also a worship leader in Southern California. His musical style and song writing betrays his 60s and 70s musical influences like James Taylor, The Eagles, Dan Fogelberg, ... you get the drift. Daves approach to worship music for the church, is to make it real, and accessible to the average person. The music we hear and do in church does not need to be any less attractive to listen to than what you might hear on the radio every day, as long as it glorifies God. Scarlet River is a collection of 15 such songs in an acoustic guitar driven package.
