Details: I left college and got into the local Hip-hop scene in Columbia, SC some years ago when I helped form the group Dem Boiz. We toured with the infamous Luke Campbell of 2 Live Crew. A few years later I left the group to pursue a solo career. I began recording tracks hoping to land to land a major record deal. Since then, I have been doing a lot of things independently hoping that some label would pick me up. I have my first CD coming out in the fall of 2005 called "Past Due." I hope everybody enjoys my music because I am way "past due." Thank You Davyne (pronounced Day-vine)
