Soul, Funk and Deep House 14 MP3 Songs ELECTRONIC: Funk, ELECTRONIC: House Details: Face and versatility are comfortably mixed. As an accomplished producer, song writer and mix artist, he considers his greatest gift to be his skill as a multi-instrumentalist - making sweet elegance as a vocalist as well as guitarist, keyboardist, and trumpet player. With one foot in Funk and the other in jazz, Face has become a DJ producer in the underground world rendering genre jumping, cross-over sounds reminiscent of our greatest Funk legends. Face's latest album "Slow Burn" featuring vocalist Jennifer Perryman marks a brilliant, innovative approach to fusing Jazz, Soul, Funk and House. Slow Burn is Face's first release on his own new independent label Facerecordings. Face has performed and worked with many staple artists in the underground industry including Julius Papp, Jt Donaldson, Brett Johnson, Demarkus Lewis, Joe Castillo, Alfredo Castillo, Jim Pasant, and Jeff Mitchell (aka. Jazmin). He has crafted over a dozen EP Dance releases on labels such as OM Records, Estereo, Central Park Records, Grab Recordings, MStreet Records, L'amour Records, Ploff and Balance, a sub label of Prescription. Over 20 years of hard work and performing with diverse artists and genres has melded Face into a musical prodigy with a unique and complex musical brew. With his own new band, Face is pushing into today's underground scene in fresh ways and bringing forth new artists such as vocalist and keyboardist Jennifer Perryman, drummer, John Anthony Martinez, bassist, Greg Robbins, and DJ/Producer Mike Roos. The Band: Vocalist/keyboardist/co-producer: Jennifer Perryman Drums: John Anthony Martinez Bass: Greg Robbins Turntables/keys/percussion: Mike Roos
