Infectious acoustic pop/rock with a raw honest urgency. 15 MP3 Songs POP: Pop/Rock, FOLK: Folk Pop

Show all album songs: never change Songs Details: Singer-songwriter Joe Beleznay wants you to remember two things: 1. his infectious acoustic pop/rock songs 2. the exact pronunciation of his last name. All joking aside, Beleznay has been writing and performing his original music on the East coast for the past 4 years. On board with Beleznay, handling drums and percussion, has been his long-time friend and collaborator, Tim Procaccini. Both CT natives, they have done their best to establish themselves as an honorable, original act among the throngs of cover band rejects. Beleznays smooth yet poignant mellow-rock sound has also caught the ears of his fellow musicians. He has had the opportunity to open for and share the stage with some great artists, including John Mayer, Matt Nathanson, Ari Hest, Angie Aparo, and Steven Kellogg. Beleznays first ep, running to be gone, is currently available digitally all over the web, and his long-anticipated full-length album, never change, launches in Dec 2007. Joe Beleznay is truly an artist to keep your eye on in the coming year. - (transcribed on electric typewriter by Spanky, Joe's Pekingese)
