WORLD: Reggae, URBAN/R&B: Contemporary urban Details: King Ouxaman is an incredible talent with his handsome image, rich voice, and memorable words and rhythms that echo and resonate within. King Ouxa has written, arranged and performed within a broad range of styles from roots reggae, dancehall, lovers' rock, hip-hop and rap, to rhythm and blues. Exposing the reality of a 'rough and tough' life, his original songs deliver powerful messages of peace and love to work together as one, while others have a sharp edge. He writes with reflection, focus and inner passion. King Ouxaman has been performing throughout Jamaica, including clubs and resorts on the north coast. He has also been heard in the Grand Cayman, and in his home city, Kingston, Jamaica. King Ouxaman has just returned from a tour in Mexico, and is developing a following there. This summer, he will be performing in Germany. His audiences have been enraptured by his rich voice, passionate delivery, and resonating rhythms. "...sings from deep within his soul, and with such passion..." "...when he sang his song of peace...such an awesome message... that melody won't leave me" ""Ouxa...an incredibly beautiful and charismatic singer..." King Ouxaman has successfully released his first CD, "Reflection," and has shared his 2 CD set, "Sizzling" with his growing following. The range, versatility and passion exposed in these original songs is being noted internationally. As his handsome figure attests, King Ouxa also has a busy career as a personal trainer, fitness instructor and model.
