Southern Gangsta Rap 15 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Southern Style

Details: C.E.O. Creep Lo hooked up with Lil Bout It in 2001 when he came to Crossroads Studio's with a friend. Shortly after they worked together on the compilation Cd and became close and developed a friendship. Then they talked about producing his newly developed cd titled "To Live and Die For" and the rest is history. Just shortly before his 21st birthday tragedy struck and his passing away made nation wide news. His memory still lives on and his energy is still with the Drop it off Family! R.I.P. "Lil Bout It"
