Mp3 Mad Malcolm Productions, Inc. - En Route

DOWNLOAD HERE

This is a well-deserved journey through electronica, with soundscapes that span trance and house to electro and downtempo dub. I made each and every one of these tracks while traveling. Every song started and finished in hotels and on planes... 16 MP3 Songs in this album (89:43) ! Related styles: ELECTRONIC: Dance, ELECTRONIC: Electronica People who are interested in Moby Daft Punk Underworld should consider this download. Details: Mad Malcolm has been producing original electronic and acoustic music for the last decade... With an emphasis on electronic music production and digital content creation for use in dance clubs, coffee shops, radio, tv shows, movies and more... Mad Malcolm has a sound for just about every mood and a song for just about every situation. With a true belief in synthesis, Mad Malcolm combines live music, samples and MIDI to generate unique digital and organic soundscapes. Ultimately, the goal is to help create enlightenment through shared experiences, emotions and events. Music is life and life is the synthesis of... Energy. Music. Technology.
