

# Mp3 Matt Iseman - I Want A Happy Ending

[DOWNLOAD HERE](#)

A medical doctor who left his practice to become an unabashedly happy, extraordinarily enthusiastic stand up comedian in search of a happy ending. 15 MP3 Songs SPOKEN WORD: Comedy Details: You might recognize Matt Iseman as the host of Casino Night on the Game Show Network or Scream Play on E! Or maybe you've seen him on the Drew Carey show or General Hospital or in one of his 25 national commercials. Or maybe you saw one of his hilarious sketch comedy shows with the world famous Groundlings. But it all started with stand up comedy, which he pursued after leaving his career as a medical doctor (he really believed them when they said laughter is the best medicine... turns out penicillin is a helluva lot better. Oops). He has taken his comedy all around the world and elsewhere-even performing shows for the troops in Iraq, Afghanistan, Korea, Bosnia, Hungary and other fun vacation spots. He brings his unbridled enthusiasm to his views on marriage, movies, Humpback Whales, and Def Leppard. A show clean enough for your Grandma but enough fun for the whole family (especially if you like happy endings).
