POP: Today's Top 40, POP: Folkly Pop Details: Melanie Dekker is a spirited groovy chick who's songs grab ya just because they are either damn hooky or oozing with longing for one thing or another. She is an award-winning composer and a gutsy performer. You are likely to catch her giggling in fun and sweating with enthusiasm at her shows. "Just Because" has a progressive pop sound which gives you a sweet and upbeat experience. Melanie's unique guitar playing blends heavy rhythmic strokes and guitar body beats. "Wow you don't play like a girl" is something we hear all the time. This girl's got an enticingly quick right hand. Dekker's vocal style captures the depth of her songs with a cool combination of power and sensitivity. "Just Because" contains the Canadian a/c top 40 radio hit "I Said I". There is a casual, fresh and natural approach to Dekker's songs, which are warm and approachable like she is. Enjoy the stories and this totally cool groove.
