High energy country sound that is great to sing along with. 1 MP3 Songs COUNTRY: Contemporary Country, COUNTRY: Country Pop Details: Nikki Britt grew up with MTV and VH1, spending hours in front of the TV learning the words to her favorite songs. Her family quickly tired of Toni Braxtons Unbreak My Heart after hearing it over and over and overand over. This emotional song kick-started Nikkis dream of singing and demonstrated her early vocal maturity. She began taking voice lessons with renowned instructor Sal Dupree, but just didnt connect with the music she was singing mostly Broadway tunes. It wasnt until a family vacation to Nashville when Nikki was 11 that she really found her calling. The family had gone to the Grand Old Opry, where Dolly Parton was singing. When I heard Dolly singing live, says Nikki, with a big grin, I just knew that I was born to be a country music star. Ive been singing since I was 8, but [everything] seemed common and just wasnt in my heart. But when Dolly sang, my eyes popped wide open and I knew there was something special about country music. I was amazed. I was drawn to it. Her singing performances, charity involvement and opportunities have exploded. From demos to cruise ship performances, from Atlantic City, NJ to Manhattan, NY, this rising young star has quite an impressive resume. You can hear her on The Hollywood Hooligans Rock CD (a fund raising music mix benefiting Kidz Helping Kidz), recordings with some of Dolly Partons musicians produced by Kent Wells, and her first single after being signed to country music label Rustic Records, Inc. is C-O-W-B-O-Y, which officially released to radio on March 31st. We are so excited that Nikki has decided to join the Rustic Records, Inc. family. People who are interested in The Wreckers Taylor Swift should consider this download.
