

Mp3 Nocturnal Secretions - Reflections

[DOWNLOAD HERE](#)

A collection of original songs that cover a variety of styles from theatrical themes to acoustic pop and many points between. Solo artist Dave Kneeves takes you on numerous journies with different instrumentation and moods. 11 MP3 Songs EASY LISTENING: Background Music, ELECTRONIC: Soundscapes Details: Nocturnal Secretions is a recording project by virtuoso guitarist Dave Kneeves, using a multitude of real and electronic instruments to create various moods from symphonic soundtracks to classical guitar inspired instrumentals. Much of this music was recorded behind locked doors long after the sun has gone down. Dave is proud to release his third CD for the Nocturnal Secretions project including some songs with lyrics. True to the project, the songs cover a variety of genres and soundscapes taking the listener to various places.
