think "spiritual meets country with some pop and laid back adult contemporary in the mix" 10 MP3 Songs  
EASY LISTENING: Love Songs, COUNTRY: Country Pop Details: Laurie OShea is a singer, songwriter and keyboardist. She has written several customized childrens songs and has been a cast member at Walt Disney World in Orlando, Florida. Before moving to Nashville, she taught piano lessons in Northeast Connecticut. Sean OShea performed in New England and New York area clubs and functions for several years. He attended Music Tech in Los Angeles with master synthesizer programmer Bo Tomlyn where his classmates included Ronnie Foster of Lionel Richies band, Barry Manilow, and famed producer Michael Omartian. He has appeared live on ABCs Good Morning America with Charlie Gibson and Diane Sawyer and has twice been the opening performer for author/speaker Dr. Wayne Dyer. Nashville taught Sean and Laurie a lot about the art of songwriting. This Songwriting Demo Collection is a mix of their songs and was compiled in 2003 as a random sampling of their songwriting styles. So many people were asking for copies, they decided to keep the CD on the market.
