

Mp3 The Confidentials - Reflections

[DOWNLOAD HERE](#)

Smooth R&B collection of original songs that highlight positivity, love, family and unity. 8 MP3 Songs

URBAN/R&B: Smooth Soul, URBAN/R&B: Soul Show all album songs: Reflections Songs Details: The Confidentials were spawned amidst the progressive college underground scene of the mid-eighties. Their influences range from the rock steady groove of the English Beat to the funky rhythms of 70s party bands like Earth, Wind Fire and Kool and the Gang. With a style reminiscent of the soulful ballads of Motown, infused with the crispness of the Tijuana Bass, they have been collecting fans across the country for well over a decade. From R&B and Soul, to Funk and Ska, to Pop and Reggae, The Confidentials musical and cultural diversity is combined with strong themes of family and unity.
