Ian Titus (bass guitar), Ryan Russell (lead guitar), Nate Davis (vocalist/emcee), Mark Steele/Unorthodox (DJ), Mark Davis (drums) provide a unique and memorable, high-energy musical experience that has earned the band a reputation as one of the hottest acts in the Midwest. This exciting, "up and coming" group has found a diverse fan base, and shown their ability to win over a crowd by combining their original material as well as with remixes of classic rock, Motown and hip-hop numbers. Because of their broad range of musical versatility, The Franchise has been able to hold their own alongside both rock and hip-hop acts, opening up for Fuel last summer and the Nappy Roots last spring. Regardless of whom they play with, their music and showmanship create a musical experience that leaves audiences wanting more. With plans in the works for an upcoming promotional tour of the Midwest and the release of the group's highly anticipated debut album, there doesn't seem to be any sign of The Franchise slowing down.
