Fourteen soulful and refreshingly authentic songs of a young, up-and-coming German Singer-Songwriter. Her half English, half German debut album ranges somewhere between Folk, Acoustic Pop and Soul - performed with pure dedication. 14 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: Theresa Dold, Irgendwo dazwischen - (Somewhere in between) After a fourteen years lasting process of being a passionate Singer-Songwriter, the dream of my own album has finally become real! The result of the hard but exciting last six months is my debut album Irgendwo dazwischen - (Somewhere in between). The reaction and feedback is amazing! Irgendwo dazwischen - (Somewhere in between) has just been released in April 2008. Musical Childhood: Theresa Dold (24) grew up on a small farm in the Black Forest, Germany. She began writing songs when she was only ten years old this was when her mother showed her the first chords on the guitar. Because of her musical family-background, singing and performing was always a matter of course. The freedom of singing whenever and wherever she liked as she tells, often along with the echo of the surrounding mountains shaped her powerful and strongly emotional voice. Youth: Singing as a soloist in the Jazz/Pop/Gospel choir Voice Event, she often got the possibility to perform in front of a big audience, and of having regular gigs and competitions. Although she had written many songs during the years, she only started playing them live in 2002. The many positive reactions encouraged her to go on and show the world what s inside of her. This lead to her first cooperation with a producer, who recorded her first demo in his studio, with mostly self-written songs. The last years: 2003, after Theresa Dold had finished school, she was travelling as a backpacker in New Zealand and Australia. Back home - in 2004 - she decided to apply for different Music Academies, to study pop music. 2005 she went to Hamburg for Germanys most popular pop music course, called the

Popkurs. She also won the first prize at a songwriting contest that year. After that, she started her two year musical education at the Hamburg School of Music and finally moved to Hamburg. At this time she founded her first band with other students, called the Theresa Dold Band, playing in the most important clubs and pubs in Hamburg. Since 2007 she has the opportunity to take guitar lessons from Roland Cabezas, an internationally noted guitarist and multi-instrumentalist. He supported her on the new album. At the moment Theresa Dold is learning to play drums as her fourth instrument besides vocals, guitar and piano. 800 km away from home, I often got homesick, although Hamburg is a very exciting city of music for me! But my roots are still grounded very deeply in the warmer and mountainous south of Germany. During the last years in Hamburg, I often had that feeling of being somewhere in between. Especially this feeling gave me the impulse for my debut album, called Irgendwo dazwischen (Somewhere in between). Its release, launched in April 2008, was a big success - Hamburg loves it! People who are interested in Tracy Chapman Shawn Colvin Alison Krauss should consider this download.
