

Mp3 Various - Waisted Streets

[DOWNLOAD HERE](#)

Easy one drop beat that is nice to move to 16 MP3 Songs WORLD: Reggae Details: The waisted riddim is easy one drop beat that is easy to move to, most of the songs on this beat are conscious lyrics done by established and upcoming artist. The first song on the album is done by chezidek one of Jamaica's best new artist with a couple of hits under his belt, his song is talking about the wars that are taking place in the world but only innocent people are paying the price, jah moore is talking about hunger how it makes a man does things that he wouldnt normally do, all the tracks on this album is worth listening to and surely a collectors item, big up all the artists that took part in this project-blessed love
